AN INTRODUCTION TO THE NEW STUDENTS ADVISORY COUNCIL

The New Students Advisory Council is the program designed to minimize the new student "blahs" and to maximize your use and enjoyment of the educational, social and cultural aspects of the Concordia Community.

We would strongly reccommend that you attend the Introductory Sessions, "We Do It All For You". This session will give you an overview of the other sessions and, on it's own, will identify your particular orientation needs.

- 1 MYTH: I don't need "Orientation".
 - FACT: Every one suffers from the Registration Blues.
- 2 MYTH: Orientation is just a bunch of boring lectures
 - FACT: New Students Advisory Council is a learning experience in which everyone can participate. You learn by doing.
- 3 MYTH: There will be no time just to sit down and talk with someone.
 - FACT: The New Students Advisory Council employs two methods: group approach and individual appointments. You choose what's best for you.
- 4 MYTH: I have to make an appointment for orientation.
 - FACT: Look at the schedule on the back of this brochure, and pick the times and days most convenient for you.
- 5 MYTH: The New Students Advisory Council is only for new students at Concordia.
 - FACT: The New Students Advisory Council and the sessions can also be of help to second and third year students.
- 6 MYTH: It's too hot in August and September, and I don't have time for Orientation.
 - FACT: The New Students Advisory Council will take place on both campuses in air conditioned comfort, with bar facilities close at hand.

- 7 MYTH: I won't be in Montreal until Labour Day, so I'll miss orientation.
 - FACT: No problem! Sessions are offered from August 20 to September 17th.
- 8 MYTH: Last year, students who participated in the New Students Advisory Council would not recommend it.
 - FACT: The New Students Advisory Council was such a success that 90% of the students recommended it to a friend.
- **9 MYTH:** The people who are running this program do not know about students, the university, or anything.
 - FACT: The sessions are being run by students for students. The people who are behind the scenes are:
